Dear Valued Colleague,

The Port Network Authority of the Eastern Adriatic Sea is pleased to inform you that the **Mediterranean Ports & Logistics 2027 Conference** will take place in Trieste, Italy, from 13 to 15 April 2027.

The Conference will bring together international representatives from the maritime, logistics and transportation sectors, including port authorities, shipping companies, terminal operators, logistics providers, railway undertakings and institutional stakeholders. The programme will focus on the future development of global supply chains, sustainability and energy transition, digital innovation and the strategic evolution of Mediterranean logistics networks.

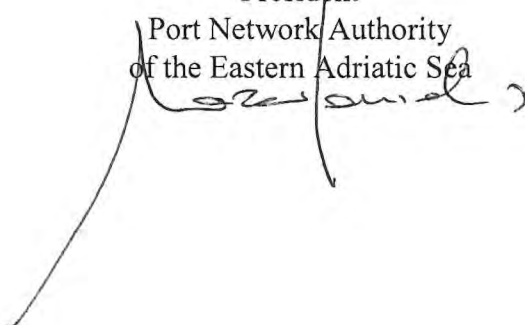

With its deep-rooted maritime vocation and global outlook, Trieste offers a particularly fitting setting for this event. Located at the crossroads between the Mediterranean and Central Europe, the Port of Trieste is recognised as one of Europe's leading logistics and intermodal hubs, distinguished by its rail connectivity, free port status and strong links with international markets.

The Mediterranean Ports & Logistics Conference will provide a strategic opportunity for key players in the maritime and logistics sectors to spark dialogue, exchange expertise and strengthen international business relations.

We look forward to welcoming you to Trieste.

Yours sincerely,

Marco Consalvo
